

Our fixed costs won't blow your budget

What is INTEMPO[®]?

INTEMPO provides specialist employment law and HR support for a fixed annual cost, including:

- Unlimited telephone and email advice on employment law issues
- A full audit and review of your employment documentation
- Representation in the event of any Employment Tribunal claim issued against your business
- Payment of the compensation award if you lose an Employment Tribunal claim
- Access to a range of precedent documents to adapt for your own use
- Provision of regular updates in employment law
- Telephone and email support on Health and Safety issues, including representation in the event of a Health and Safety prosecution

Why choose INTEMPO[®]?

As an INTEMPO[®] client, you get:

- A fixed annual cost, allowing you to budget easily for legal fees
- Peace of mind from knowing that if you do have an Employment Tribunal claim issued against you, your legal costs are taken care of, together with the compensation should you lose
- One point of contact – a dedicated specialist employment lawyer allocated to you for advising and assisting you with any employment issue. There are no call centres, so will not have to speak to a different adviser each time you call us
- Practical advice tailored to your needs - your dedicated lawyer gets to know you and your organisation well, so the advice is not only of the highest standard but also takes into account your commercial aims

"Thankfully we have relatively few personnel issues, but when they have occurred, the Rawlison Butler team has been immensely useful. They give practical, timely and clear advice. We have found INTEMPO to be a very worthwhile investment."
